THE END

In the 3rd century, in County Argyllshire, Ireland, lived the great hero Fionn MacCumal--brave, fast and strong as the bedrock of Ireland! Legends today call him Finn.
Finn led a group of great warriors, the Fianna, against his blood enemy Goll MacMorna who had killed Finn's father! Finn swore to avenge his death!
Once he defeated Goll, he faced an even more horrible foe--the warrior wizard the Gruagach and his horrific hound!
But even after death, the Wizard tried to defeat Finn! He combined his spirit with his hound, becoming the ghostly Gruagach that still haunts Argyllshire today!
But not only the Gruagach haunts Argyllshire--
The spirit of the great hero Finn is said to live in the caves under Castle Finn... waiting for the day when he will return to protect his family and country once more!

SORRY TO DISAPPOINT, LASS, BUT I'D *NEVER* PRETEND TO BE A *FINN*, NOT EVEN TO SAVE MY BUSINESS. I SWEAR IT ON ME MUM'S RED HAIR.

BUT...

IF *YOU* WEREN'T FINN, THEN...

THEN THE GHOST OF FINN IS *REAL*! HE GAVE THESE YOUNG LADS HERE THE COURAGE TO FIGHT OFF THE GRUAGACH AND SHOW THE LEGENDS TO BE TRUE!

LIKE, I DON'T KNOW *WHAT* TO BELIEVE--IN A *REAL GHOST* OR THAT *SCOOB* AND I WERE *BRAVE*!

REAH! RHO RAY!

YOU STUBBORN SON OF FINN!

YOU GREEDY SON OF MacMORNA!

SIGH! THOSE TWO WILL NEVER AGREE! MAYBE WE CAN CONVINCE THEM THERE'S A HAPPY MEDIUM-- SHARING THE HISTORY OF CASTLE FINN WITHOUT RUINING WILLIS FINN'S PRIVACY!

WELL, IF SHAG AND SCOOB CAN SHARE A SCOOBY SNACK, ANYTHING CAN HAPPEN!

LIKE, I'LL EAT TO THAT!

ROOBY ROOBY ROO!

SCOOBY'S MYSTERY MAIL

Welcome, Scooby Fans, to another look inside Scooby's mailbag! Next issue starts off a whole new look for SCOOBY-DOO and all of the Cartoon Network books. Make sure to write in and tell us how you like it!

Summer Tannura
Key West, Florida

Dear Scooby and Shaggy,

I love your shows. And when I grow up, you know what I'm going to be? A detective just like you. I've seen all your shows and your movie. I got one of your comics on Martin Luther King Jr. day.

We're glad to hear Shaggy and Scooby can be good role models. But be warned, a detective's life isn't all catching ghosts and masked criminals—there's also a lot of eating and running away involved! Better start practicing now!

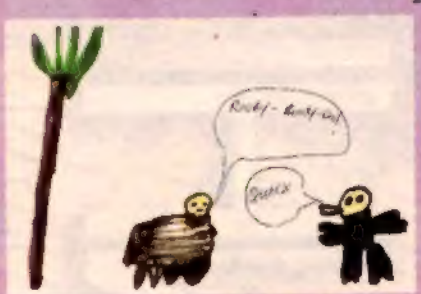
Dear Scooby-Doo,

How come you eat so much? And how come you always eat the middle of Shaggy's sandwiches? I hope you like the picture I drew of you and the penguin.



Art by SEAN WAGNER

You bet we like your picture! That penguin is the coolest... no pun intended!

Dear Scooby-Doo,

Hey, what's up? I just noticed this comic book #19 and I couldn't believe it. I'm such a big fan of yours. Whenever I see Scooby stuff I go absolutely nuts.

Gee, sounds like what happens when Shag and Scoob see a Scooby Snack! Are you sure you're not related? Anybody else out there suffer from Scooby-itis?

▼

Jenna Ioerger
Normal, Illinois

Dear Mystery Mail,

I really like Scooby-Doo! Here is my Scooby collection in the picture I sent. Anyway, my name is Jenna Ioerger, and I am 10 years old! I even have a tub of three kinds of popcorn that is Scooby! I thought that was very unusual!

JENNA IOERGER

*Scooby popcorn, huh? If you think **that's** unusual, you should see the Scooby-Doo shrimp cocktail, hair net, and 8-track tapes! (Just kidding—we still haven't managed to find a Scooby hair net). What's the weirdest Scooby-Doo item you can think of, readers? Let's hear it!*

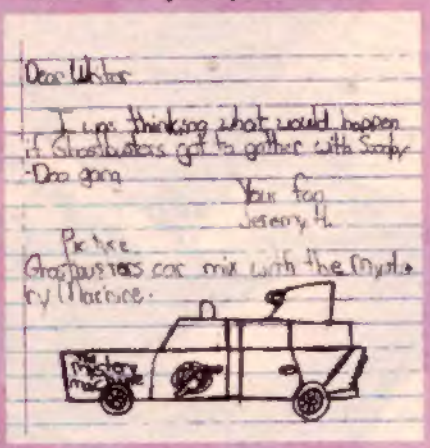
Dear Writer,

I was thinking about what would happen if Ghostbusters got together with the Scooby-Doo Gang. I included a picture of the Ghostbusters' car mixed with the Mystery Machine.



Dear Writer
I was thinking what would happen if Ghostbusters got to gather with Scooby-Doo gang.

P.S. Here.
Ghostbusters car mix with the Mystery Machine.

Art by: JEREMY H.

*Great idea, Jeremy! But since the 'Busters bust **real** ghosts, I think we all know "who you gonna call" when there's a mystery to be solved—Scooby and the gang, of course! (I do wonder who would be able to pack down the most snacks, Shaggy or Slimer?)*

See you next month!

— Dave Roman

ALSO OUT THIS MONTH:

You begged. You pleaded. And now he's here—SCRAPPY-DOO is in CARTOON NETWORK PRESENTS! When Shag and Scoob snooze out over a sneaky spectre, Scrappy shows up to save the day—and the pizza! See you there!

NEXT ISSUE:

The truth is out there! Mystery Inc. must solve the wackiest caper yet in the legendary Area 51. Can Scooby and the gang duck and dodge aliens, U.F.O.'s, agents in black, crazed inventors, *and* get their pal Dr. Goolunk's flying saucer plans back in one piece? It's parts 1 and 2 of a 3-part mystery starting next month!

This month's cover is by Vincent DePorter from a sketch by Rurik Tyler. Groovy, bay-bay, groovy!
